

## Grocery Shopping

Attached is a copy of our MCCS Grocery Shopping template. Please list all your grocery needs, preferred brands, quantities and any other helpful information so we can shop the best we can for you. We will also provide you with your own personalized shopping list, where you can select what foods/supplies you want. We'll keep this template on file, should you have any future bookings, you will only need to select from the shopping list.

If you would like us to purchase wine or beer before your arrival, by North Carolina state law we must have the money before purchasing.

Please circle which grocery store you prefer below.

**Walmart** in Murphy, NC or **Ingles Market** in Murphy, NC

Do you have any allergies or medical conditions that we should be aware of?
